COMPANY PROFILE

ABOUT US

UNIQUE HOME is a construction and interior design company mainly focussed on getting the job done and finding the best way to do it. Our design approach is methodical, realistic, innovative, and rich. We deploy extensive construction knowledge and profound attention to the detail from the conceptual development of a project through execution and handover. At every level, we exceed our client's expectations with unmatched quality and style.

MISSION & VISION

Our mission and vision will make you unique and different from the others. Our goals have always been very clear, and they allow us to ride the path to success. We want to be a leading Construction and Interior Design Company, and for our clients to have the best image of us. Besides, we want to keep showcasing our excellence through our commitment to keeping earning the trust of our current and new clients.

WELCOME MESSAGE

At Unique Home, we believe that every space has the potential to become a masterpiece. We are delighted to introduce ourselves as a leading interior and construction company dedicated to transforming your vision into reality. With an unwavering commitment to quality, innovation, and customer satisfaction, we strive to exceed your expectations and create spaces.

When it comes to construction, we employ the latest techniques and technologies to ensure the highest standards of quality and durability.

At Unique Home, we believe that strong relationships with our clients are the foundation of our success. We value open communication, transparency, and integrity, and we strive to build long-lasting partnerships based on trust and mutual respect. Your satisfaction is our ultimate goal, and we go above and beyond to turn your dreams into reality.

Interior Design – Residential & Commercial

At Unique Home we bring spaces to life – whether it's the warmth of a home or the sophistication of a business environment. Our design solutions are rooted in functionality, elegance, and a deep understanding of each client's unique vision.

Residential Interiors

We design homes that are personal, timeless, and full of character. From luxurious villas and modern apartments to compact urban homes, our residential interiors blend style with comfort. Every space – living rooms, bedrooms, kitchens, and more – is crafted with attention to detail, tailored materials, and customized solutions to reflect the lifestyle and taste of the homeowner.

- Residential services include:
- Space planning & layout optimization
- Custom furniture & modular kitchen design
- Lighting & ceiling concepts
- Wall finishes & flooring solutions
- Décor, styling, and turnkey execution

Commercial Interiors

Our commercial interiors focus on creating functional, branded, and inspiring work environments. Whether it's a corporate office, retail store, hospitality venue, or healthcare space, we ensure seamless design that supports your business goals and enhances customer and employee experience.

- Commercial services include:
- Office & co-working space design
- Retail & showroom interiors
- Hospitality & restaurant spaces
- Reception, meeting rooms & executive cabins
- Branding, signage & technology integration

We approach every project with creativity, professionalism, and a commitment to delivering spaces that are not only beautiful but also practical and lasting.

Interior Job Work

We understand the unique challenges of medium-scale interior design firms face when balancing creativity with production demands. That's why we offer specialized job work services that help you deliver stunning projects on time and with the quality your clients expect. We're committed to supporting medium-scale companies by handling the production side of projects seamlessly. This partnership allows you to focus on what you do best—designing beautiful, functional spaces—while we handle the manufacturing and job work with unmatched attention to detail.

With UNIQUE HOME as your job work partner, you can extend your project capacity, focus on your core design expertise, and deliver more to your clients with confidence. Our commitment to quality and efficiency makes us the ideal extension of your team, ensuring each project is executed to perfection.

Construction

We provide architectural design, construction expertise, and engineering services for a wide range of projects, including but not limited to: house construction, single or multi-family residential developments, studio apartments, apartment complexes, villas, duplexes, and various other types of construction endeavours.

We offer industrial planning, architecture design, construction, and engineering services for industrial buildings, including warehouses.
